Detail	Short Description	Days Open
Documents responsive to this consolidated FOIA request have now been collected. Each region has documents potentially responsive to this request requiring review in relativity. OAR has set up the relativity workspace, and would like each region to identify staff to review documents and participate in a review kickoff meeting in the near future. Please contact Tom Eagles, eagles.tom@epa.gov with the names of the staff that should review these documents.	Regional Haze	N/A
Please see description for details regarding access to Relativity as well as participation in upcoming meeting.		
Attorney review for redact/release		
Enter total time for Relativity review		
Conduct relativity review and input review time into FOIA Online.		
Locate any digital or hardcopy responsive documents & upload to SharePoint site to be provided by Tiffany Purifoy at HQ.		
NSPS" means Standards of Performance for Municipal Solid Waste Landfills, 81 Fed. Reg. 59,332 (Aug. 29, 2016). "Emission Guidelines" means Emission Guidelines and Compliance Times for Municipal Solid Waste Landfills, 81 Fed. Reg. 59,276 (Aug. 29, 2016). Specifically, EDF requests any desk statements and other instructions or guidance relating to implementation or enforcement of the NSPS, Emission Guidelines, or both, sent from anyone at EPA Headquarters to anyone at one or more EPA regional offices.	Solid Waste Landfills	N/A
Please pull any responsive records for review.		
Work with OAQPS to provide responsive, releasable documents to the requester. FOIA Coordinator is Tiffany Purifoy and lead Subject Matter Expert is Cheryl Vetter. Enter time via "Admin Cost" tab & complete/closeout task by COB of your assigned Task Due Date.		

Records that pertain to the PacifiCorp Energy Hunter Power Plant located in Emery County, Utah and were produced, obtained, or received on or after September 1, 2015. This request includes, but is not limited to, responsive records pertaining to the following subject matter: 1) Title V operating permits for the Hunter Power Plant, including records pertaining to EPA's decision to deny Sierra Club's March 30, 2018 petition seeking the EPA Administrator's objection to the Hunter Power Plant's Title V permit; 2) Implementation of the sulfur dioxide national ambient air quality standard, including attainment status designations; 3) Utah State Implementation Plan Requirements; 4) Responses to EPA information requests filed under Clean Air Act section 114; 5) Potential or confirmed Clean Air Act non-compliance at the Hunter Power Plant and actions by EPA or the State of Utah to address such potential or confirmed non-compliance; 6) Regional haze, including Best Available Retrofit Technology (BART) determinations; 7) PacifiCorp's September 2017 Notice of Intent to construct a "Refined Coal System" at the Hunter Power Plant. Furthermore, this request includes, but is not limited to, records in the custody of the following individuals: a. Scott Pruitt b. Mike Flynn c. Byron Brown d. William Wehrum e. Sarah Greenwalt f. Nicholas Falvo g. Elizabeth Shaw h. Peter Tsirigotis i. Mike Koerber j. Anna Marie Wood k. Richard Wayland l. Penny Lassister m. Alexandra Dominguez n. Susan Bodine o. David Hardlow p. See attached FOIA Request from Janette K. Brimmer, attorney for Upper Missouri Waterkeeper	Upper Missouri Waterkeeper 2016	620
Provide periodic updates to CMU on the current court litigation status.		
This request concerns the proposed expansion of I-70 through north Denver, known as the I-70 East Phase 1 (Central 70) Project ("I-70 Project" or "Project"). Please provide all documents that are in any way related to air quality modeling of expected future emissions of PM-10 and the calculation of design values for the I-70 Project, performed for either the Final EIS (January 2016) for the Project or the conformity determination in the Federal Highway's ("FHWA") Record of Decision, Attachment C7, including but not limited to efforts to demonstrate the I-70 Project's conformity under the Clean Air Act. Specifically, we request all documents that discuss, analyze, consider, reference, or contain inputs to or outputs from emission models and air pollutant dispersion models related to the following subjects: A.) Documents Related to Air Quality Modeling Results; B.) Documents Related to Disclosure of Data Inputs, and Assumptions and Procedures Used to Model Project Emissions for Interagency Consultation and Public Involvement; C.) Documents Related to Estimating Truck Share of VMT Mix; D.) Publication of Amended Transportation Conformity Hot-spot Guidance.	I-70 Project	32

Legal review of responsive records		
Legal review of responsive records; coordinate with DOJ & FHWA.		
Enter/track time spent on request; notify coordinator ASAP if additional time is required beyond current assigned task due date.		
Enter/track time spent on request; notify coordinator ASAP if additional time is required beyond current assigned task due date.		
<p>Kindly provide this office with all correspondence (including emails, letters and notes related to oral conversations) between any agent or representatives of Atlantic Richfield, and any agent or representatives of the Environmental Protection Agency, which took place from March 1, 2013 to present and relates to arsenic, lead, the litigation named Christian, et. al. v. Atlantic Richfield et. al., or the Superfund Cleanup in Anaconda/ Deer Lodge County, Montana.</p> <p>Agents for Atlantic Richfield, include namely: Jon Rauchway; Shannon Stevenson; Mark Champoux; James Henderson; John Davis; Patrick Sullivan; David Folkes; Richard Bartelt; Davis Graham &amp; Stubbs, LLP</p> <p>Agents of the EPA, include namely: Andy Lensink; Charlie Coleman; Susan Bohan; Beth Archer; Robert Moler; Albert Kelly; Doug Benevento; Nikia Greene; Jenny Chambers; Ken Brockman; Joe Vranka; Gunnar Emilsson; Chris Wardell; Deb Thomas; Shaun McGrath</p> <p>Communications between representatives of Atlantic Richfield and/or representatives of the Environmental Protection Agency identified above and agents of the Department of Justice, namely: Matthew Oakes; John Cruden; Michael Cotter; Victoria Francis; John Seither</p>	Atlantic Richfield/Anaconda	10
Please review this request and advise me to whom I should assign it. I assigned it to Joe Vranka and as of today, 8 days later, have not heard from him. Thanks, Dayle (ext. 6911)		
Please work with Andy Lensink to create Relativity Search for responsive documents and proceed with OEI next steps. Thank you		

<p>Under the Montana Public Records Act § 2-6-101 et seq. , I am requesting an opportunity to inspect or obtain copies of public records that pertain to Spring Creek Apartments 1 and 2 in Kalispell, Montana. I am requesting anything that may contain to any code violations, complaints , and any record of bedbug infestations. I'm also requesting documents that show when and where such infestations occurred and how and when they were handled. I am requesting all records pertaining to such dating back to September 2013 until present date. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50.00.</p> <p>However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in public interest and will contribute significantly to the public's understanding of how issues are handled when dealing with multi-family units. This information is not being sought for commercial purposes. If access to the records I am requesting will take longer than a "reasonable" amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any, or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.</p> <p>20 Appleway Drive, Kalispell MT 59901</p>	Spring Creek Apartments 1 and 2 Kalispell, Montana	17
<p>The entire file of the US Environmental Protection Agency ("EPA") relating to the response to, and cleanup of, the incident of July 22, 2014 at the property of Red River Supply, Inc., located at address 1202 E. Broadway, Williston, North Dakota 58801, which is believed to have been assigned National Response Center Incident ID Nos. 1089908 and 1089921, including, but not limited to, all internal correspondence or emails by and between EPA staff (including, but not limited to, Paul Peronard), all external correspondence or emails by and between EPA staff (including, but not limited to, Paul Peronard) and any other person or entity, all lab reports and results, all test reports and results, all plans, all reports or memoranda, all studies, all official documents of the EPA, and all records of the activity of EPA staff (including, but not limited to, Paul Peronard), which in any way relate to the aforementioned matter.</p>	Red River Supply	26
<p>Please review request, call Dayle (xt 6911) &amp; plan response. Look for list from requester naming persons to review emails in Relativity to come in your OUTLOOK inbox. Thanks, Dayle</p>		
<p>Relativity e-Discovery processing, please.</p>		
<p>The Center requests from the U.S. Environmental Protection Agency ("EPA") Region 8: the records generated in connection with Colorado's request for a concurrence for an exceptional event designation for ozone on September 2, 2017 and September 4, 2017, including but not limited to draft concurrence requests and correspondence.</p>	Exceptional Ozone Event Concurrence	12
<p>Review responsive records; concur or deny for release</p>		

It appears requester is seeking email which may be very limited by event date(s). Clarification may be needed as to which Exceptional Event requester is referring to. If so, all communication must be recorded in FOIAonline; be sure to include/cc: FOIA Coordinator (AdrienneR).		
<p>1.)All interviews with witnesses regarding the Gold King Mine Blowout, regarding its cause, effect, and response, including but not limited to EPA employees, contractors, and other percipient and non-percipient witnesses. This should include recordings, transcripts, memos, and notes.</p> <p>2.)The un-redacted video and recordings of the Gold King Mine Blowout. Again, this should include recordings and transcripts. Timeline August 5, 2015 - September 5, 2018. "Recordings" includes audio recordings, if any, as well as pictures. The subject matter of this request is the August 5 release and its apparent downstream effects. Recordings of EPA response actions (e.g., treatment plant construction) that do not depict the release are not responsive. We seek all videos without redactions.</p> <p>3.)EPA file(s) containing the materials used to brief Administrator Gina McCarthy and other EPA officials in their testimony and related presentations to respond to the Congressional investigation of the Gold King Mine Blowout. We expect that these files are generally located in a single location at or near EPA Headquarters. Timeline August 5, 2015 through April 13, 2018.</p> <p>4.)EPA files from its emergency response team regarding its investigation of the Gold King Mine Blowout and the impacts to the environment, and EPA's actions taken to respond to the Blowout. We expect these files to be located primarily at EPA Region 8's office in Denver, but that some of the files will be located in EPA Headquarters. Timeline August 5, 2015 through the date that the Unified Command Center in Durango was shut down, October 31, 2015. This request concerns records generated by or shared with members of the Unified Command Center in Durango during its operational period. For example, EPA will search for the records, including but not limited to email, of emergency response team members who worked at or with the Unified Command Center.</p>	Gold King Mine	10
I am looking for documentation such as 104(e) request responses for an archived site that is not available through online EPA databases. I believe the remediation was completed in 1990. The information I have is: Site Name: Arapahoe Chemicals - Former Plt Site Address: 28th & Pearl, Boulder, CO 80301 EPA ID: COD980717243 Lat/Long: 40.257222 / -105.257222 Incident Category: Chemical Plant Thank you, Lecia Kaslofsky	Arapahoe Chemicals	15
Hereby we request -Any and all inspection reports completed by the Environment Protection Agency (EPA) Region 8 involving Badger Daylighting Limited or Badger Daylighting Corporation as well as -Any and all documents related to improper waste disposal involving Badger Daylighting Limited or Badger Daylighting Corporation.	Badger Daylight	15

1) The notification Colorado sent to US EPA pursuant to 40 CFR 51.1203(b), that for each source area subject to requirements for air quality characterization, lists whether the agency has chosen to characterize peak 1-hour SO2 concentrations in such area through ambient air quality monitoring; characterize peak 1-hour SO2 concentrations in such area through air quality modeling techniques; or provide federally enforceable emission limitations by January 13, 2017 that limit emissions of applicable sources to less than 2,000 tpy, in accordance with paragraph (e) of this section, or provide documentation that the applicable source has permanently shut down. 2) The documentation Colorado submitted to US EPA, pursuant to 40 CFR 51.1203(e), documenting the Federally enforceable requirement to limit SO2 emissions to under 2,000 tons per year.	CO to EPA documents SO2 emissions	15
Please review uploaded responsive records & concur or deny release.		
Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and on behalf of the Union of Concerned Scientists, I write to request access to and copies of a list of Clean Air Section 114 information requests filed by EPA Region 8 since January 20, 2017. Additionally, I request a list of Clear Water Act Section 308 information requests filed by EPA Region 8 since January 20, 2017.	CWA 308 and Air 114s	15
Please upload responsive records for release. Enter total time spent on request using the "Admin Cost" tab & closeout task by COB of your assigned Task Due Date. Notify your FOIA Coordinator @x6655 if more time is needed.		
I am requesting the BP American Annual NSPS OOOOa Reports for 2016 and 2017 for facilities located in EPA Region 8.	0000a BP American	11
Pursuant to the Freedom of Information Act (FOIA) 5 U.S.C. 552 et seq., I would like to request the federal government records described on the attached list which are under your agency's control. The records described on the attached list came from EPA Box Index 412-09-5029 (EPA Index), which was provided by Joy Jenkins and Amelia Piggott. The contents of the boxes to which the EPA Index relate were personally reviewed at your offices by an employee of our client named Sandor Ringhoffer under the supervision of Ms. Jenkins and Ms. Piggott on January 31, March 1 and March 14, 2018. During this review, Mr. Ringhoffer identified the items described on the attached list as documents to be copied pursuant to a FOIA request. I have been informed that processing fees for FOIA requests include professional search and review at \$28.00 per hour. I am willing to pay all fees involved in the processing of this request. I look forward to receiving the requested documents within twenty (20) working days for a simple request and thirty (30) working days for a complex.	Gilt Edge Documents 412--09-5029	11
please coordinate with Crystal Archuleta (Records Center) who will retrieve the boxes associated with this request. Please identify for her specifically which documents are responsive to the request and if they require redactions. We have provided a sharepoint link you can use to review responsive documents. Dayle Aldinger is the Coordinator leading this response.		

Crystal, You should have received a link to upload scanned document. Please request boxes as indicated in the request and coordinate with Amelia Piggott to determine which documents should be scanned as responsive to this request.		
Pursuant to the Freedom of Information Act (FOIA) 5 U.S.C. 552 et seq., I would like to request the federal government records described on the attached list which are under your agency's control. The records described on the attached list came from EPA Box Index 412-09-4570 (EPA Index), which was provided by Joy Jenkins and Amelia Piggott. The contents of the boxes to which the EPA Index relate were personally reviewed at your offices by an employee of our client named Sandor Ringhoffer under the supervision of Ms. Jenkins and Ms. Piggott on January 31, March 1 and March 14, 2018. During this review, Mr. Ringhoffer identified the items described on the attached list as documents to be copied pursuant to a FOIA request. I have been informed that processing fees for FOIA requests include professional search and review at \$28.00 per hour. I am willing to pay all fees involved in the processing of this request. I look forward to receiving the requested documents within twenty (20) working days for a simple request and thirty (30) working days for a complex.	Gilt Edge Documents 412-09-4570	11
The Records Center is requesting the boxes that contain the responsive records. Crystal will notify us when they are available for review to determine which documents are specifically being requested. The RC will then scan them and place them on sharepoint so that any redactions that need to be applied can be done before uploading to FOIAonline. You will receive a link to the sharepoint site.		
Crystal: Please order the boxes containing documents identified in the request. Joy Jenkins and Amelia Piggott should get the boxes and determine what is responsive. Once they determine what is responsive we will need to scan them. We will send a link to SharePoint to place the documents for them to review and make redactions before uploading them to FOIAonline.		
I am requesting any documentation you may have on the oil and gas wells listed in the attached spreadsheet. I do not want 0000 and 0000a reporting.	oil and gas reports	3

A request for information under the Freedom of Information Act for all documents relating to the "Skyline Drive" project (UDOT Pin # 6568) located at 1100 W 4300 N, Pleasant View, Utah Including but not limited to: Environmental Impact Studies, Funding sources, status of project, engineering data, and general plans.	Skyline Dr. Pleasant View UT	5
I request access to and copies of the Environmental Protection Agency (EPA) Region 8 headquarters visitor log from February 17, 2018 to May 22, 2018. Do not include access logs for construction and maintenance personnel. Access logs from January 1 - Feb 16, 2018 are available in FOIA EPA-R8-2018-004529.	R8 Visitor Logs	3
Please provide responsive documents for the request and redact personal identifiable information. Work with Tammy James as Mike Shanahan suggested. Thanks		

Under the Freedom of Information Act (FOIA), request copies of: (1) all applications submitted to EPA for approval of a risk-based alternative to sample, cleanup, store, dispose and/or otherwise remediate PCBs pursuant to 40 C.F.R. 761.61(c); (2) all EPA approvals, denials and/or other dispositions of such applications; (3) all dockets and/or other documents that tabulate and/or summarize EPA's dispositions on such applications; and (4) any and all press releases, fact sheets and other documents issued by EPA to notify the public about EPA's decision(s) and EPA's rationale for making its dispositions on such applications. This request is made for the period 2011 through 2013. This request will cover all facilities including government-owned/operated, private, and public properties.	PCBs	0
